

WELCOME!!!

We are delighted that you have chosen our office to care for your dental needs.

Having graduated from the University of Minnesota School of Dentistry in 1984, I am proud to provide gentle, family oriented dental care to the adults and children of this community.

We utilize state of the art equipment and sterilization techniques. In addition to general dentistry, we offer treatment in cosmetic and reconstructive dentistry.

Our caring staff believes in providing a comfortable atmosphere during treatment. So please let us know of anything we can do to make your office visit as pleasant as possible.

We have attached Patient Information and Medical History forms. Please complete the enclosed forms prior to your appointment. If you have dental insurance, we will be happy to take care of the claim processing for you. Please provide us with your dental carrier information and necessary ID numbers so we can have information ready for your appointment.

Our office is located in the Arrowhead Medical/Dental Plaza on 79th Avenue just south of Union Hills. Please feel free to contact us if you need specific directions.

We thank you for selecting our office to serve you. We appreciate your expression of confidence and welcome referrals of your family and friends.

We have reserved especially for you.

We look forward to meeting you.

Sincerely,

James A. Diamond, D.D.S. and Staff
